Re: Skye Van Laar

To Whom It May Concern:

I just want to let you know what a pleasure it is to work with Ms. Van Laar. Each time our office has needed software support and were assisted by Skye she has been not only very pleasant but extremely competent. It seems Skye has been able to accomplish what we had come to believe was not possible in terms of reporting needed to conduct our business.

Please know that this type of consistently capable assistance is much appreciated.

Sincerely,
